Gilgromesh

Listen up, Nabu. While you're out here being a woke beta and befriending hyenas, I'm escaping the Cave-Matrix! Behold, the Alpha Spear! Top tier merch. You need this if you want high-value gatherer status.

► Wow, Gilgromesh! I've never seen a stick with a rock tied so... loosely to it! Simply incredible.

► That looks like you chewed on a branch and stuck a pebble to it with mud, you absolute clown.

► [Stare blankly at him and his sad stick]

Gilgrokaesh

Exactly! Only a true High-Value Hunter understands such peak craftsmanship. I'll let you hold on

► [Pick up the shoddy spear as he struts away]
